

The future of manufacturing
is here. **Are you ready?**

Automation Fair®

DISCOVER

What's Possible

Join us at **Automation Fair 2023**, the world's premier manufacturing technology event, and experience the hottest innovations, the smartest experts and the latest strategies for industrial automation and digital transformation.

This year's event is bigger and better than ever before – more training, more technology, more inspiration, more ways to connect. It's everything you love about Automation Fair plus the best of ROKLive, PowerPlex, and Process Solutions User Group – all in one extraordinary event. No matter your role or specialty, there's something for everyone at Automation Fair.
