

THE ES&E WEBSITE

RETOOLED & REIMAGINED

We are excited to announce the launch of our newly redesigned ES&E website. With a fresh look and enhanced features, we are dedicated to providing you with an improved online experience.

The logo for ES&E, featuring the letters 'ES&E' in a bold, white, sans-serif font. The ampersand is smaller and positioned between the 'S' and 'E'. The logo is set against a dark blue rectangular background with a thin white border.

We are committed to continually improving your online experience, and our new website is a testament to that commitment.

THE ES&E WEBSITE RETOOLED & REIMAGINED

- **Optimized Product Search** - Find the item you're looking for quickly and effortlessly. Search by part number, description, category, or product attributes, ensuring a seamless browsing experience.
- **Upcoming Event Information** - Stay up-to-date with all the events and training sessions hosted by ES&E. Never miss an important event or learning opportunity again.
- **Enhanced Product Data** - Access detailed product information with ease. Data sheets, drawings, catalog pages, certification information, and more are just a click away, providing you with comprehensive product knowledge.
- **Fully Responsive** - Experience our website on any device, whether it's a desktop, phone, or tablet. Our website is fully responsive and optimized for all formats, ensuring a seamless browsing experience across platforms.
- **Rich Knowledge Base** - Explore our extensive resource library of how-to videos and articles. Gain insights, find answers to your questions, and access help whenever you need it. Consider it your on-demand ES&E helpdesk that's always available.
- **Order Imports** - Simplify your ordering process by importing items automatically via a CSV file. Enjoy quick access to price and availability or submit them for an order, saving you time and effort.
- **Real-Time Price and Availability** - Say goodbye to waiting for emails or calls to get pricing and stock availability. Our website provides you with instant access to current pricing and ES&E's stock availability, right at your fingertips.
- **Expanded Search Capabilities** - Our robust search engine and user-friendly navigation make it easier than ever to find the subject, service, solution, information, or product you need. Effortlessly navigate through our website to locate the desired content.
- **Request Information on Services & Solutions** - Looking to schedule a lighting audit or learn more about our networking services? Our website enables you to find the information you need and request further details or a follow-up from ES&E.
- **Dashboard View** - Gain visibility into your past orders directly on our website. Additionally, conveniently view and access your invoices for easy reference and record-keeping.

Explore the new ES&E website today and take advantage of its enhanced features to streamline your interactions with us.
