

# Training & Development Series

## **Understanding Motor Applications Training**

**Presented by ES&E and ABB/Baldor Electric**

Are you struggling to determine the type of electric motor best for your application?

Are you interested in expanding your knowledge of electric motor applications?

Then join ES&E and Baldor for the Understanding Motor Applications training!

This training will cover electric motor applications, including:

- Types of electric motors
- Common motor failures and application considerations
- Upgraded features available
- Explosion-proof motors
- Inverter operation considerations
- Motor efficiency, and more!

**Andy Younts, the Southern Sales Manager for ABB Motors & Mechanical, Inc. will cover electric motor applications.**
